 DESERT RIVERS AUDUBON

WELCOME TO THE GILBERT WATER RANCH FAMILY BIRDWALKS!

Desert Rivers Audubon in collaboration with The Riparian Institute, offer these monthly birdwalks to acquaint you with the wonderful habitat and many bird species that live at the "Gilbert Water Ranch". The birds to the right are but a few of the 156 species that have been found here. We invite you to use the loaner binoculars and field guides provided by Desert Rivers and join with an experienced "birder" on a walk around the site. Birdwalk schedules can be found at the website: www.desertiversaudubon.org

Gilbert Water Ranch is a unique "oasis in the city" that you and your family can enjoy, and learn more about our birds and their behaviours. Please take time to see our displays, bird artifacts, and books for children and adults. If you would like to volunteer, have an interest in Desert Rivers AS or would like to help support this program, please send the form below to: DRAS 1121 N. Terrace Rd, Chandler, AZ 85226
